Early Intervention Pre-Kindergarten (EI-PreK) is offered at Calmar Elementary School, École Bellevue School, École Corinthia Park School, Linsford Park School, Robina Baker Elementary School, and Thorsby Elementary School. If you have a preschooler who faces challenges like following directions, communication issues, anxiety, or developmental delays, early intervention is crucial. Our Early Intervention Pre-Kindergarten (EI-PreK) program provides specialized support to help your child thrive – academically, socially, and emotionally. Children may qualify as early as two years eight months old by August 31st of the respective school year if they meet the criteria. Please go to <https://www.blackgold.ca/schools/programs/pre-kindergarten/> to enter intake for free eligibility screening.

English as an Additional Language (EAL) Junior Kindergarten:

The EAL Junior Kindergarten program is a half-day program, four days a week, led by a certified teacher with an Education Assistant at École Dansereau Meadows School in Beaumont and Willow Park School in Leduc. Children may qualify as early as three years eight months old by August 31st of the respective school year if

they meet the criteria. Please go to <https://www.blackgold.ca/esl-junior-kindergarten/> to enter intake for free eligibility screening.

To ensure a balance of strengths and needs across all programs, program times will be communicated directly by the school to all eligible families in September once school staff have had the opportunity to meet all the children in person and perform any necessary assessments.
