

# GROWING UP DIGITAL WEBINAR

AN EVENING WITH "THE MEDIATRICIAN", DR. MICHAEL RICH

MICHAEL RICH, MD, MPH

*How are children's physical, social and mental health impacted by screen media?*

Come join us for this  
**Parent Night Webinar!**

*"How is media affecting my child?"  
"How much is too much?"  
"What do I need to know as a parent?"*

Dr. Michael Rich, a parent, pediatrician, and professor at Harvard Medical School, commonly known as "**The Mediatrixian**" will share what science tells us about how children's social, emotional and physical development may be impacted by the screen media they use.
