

An immunization consent package from Alberta Health Services will soon be sent home with your child. Please check your child's school bag for this package which contains information about the vaccines that your child is eligible for in the Grade 6 and /or Grade 9 school based immunization program, along with a consent form for each vaccine. In order for your child to be immunized, each consent form must be signed and returned to your child's school by the date indicated on the envelope.
