

# Regional Collaborative Service

## Delivery School Team Visits

September 10, 2019

We are working together with our partners in the Leduc and Area Regional Collaborative Services Delivery area [LA RCSD] to support learning opportunities for students at our school.

Dear Parents/Guardians:

Members of the LA RCSD team will visit our school during the year. The team

includes:

- Speech-Language Pathologist
- Occupational Therapist
- Mental Health Nurse

The team may also include:

- Wellness Coaches
- Other developmental, social, emotional and behavioural services accessed by the school to support learner needs.

This team will work with the School-Based Team (teachers, support staff, and administrative staff) to support all children. They may visit classrooms and share ideas with the teacher. They will contact you as a parent / guardian directly if any follow up is required for your own child.

More information is available at [Government of Alberta](#)

If you have any questions, please call me.

Sincerely,

Wendy Maltais - Principal
