FUNDRAISING NEWS

Warburg Parent School Society Fundraising Newsletter

In this issue:

- About WPSS
- Spring Craft kits
- Kiwi Nurseries
- Krispy Kreme Donuts
- WPSS committee

Warburg School Council is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

Warburg Parent School Society is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go towards the purchase of some much-needed outdoor playground equipment.

Upcoming Fundraisers:

Right now, we are busy creating wood craft kits that can be completed in the comfort of your own home - perfect projects and gifts while distancing during this pandemic. 100% of the proceeds will benefit the school. And Spring is almost within sight, so what better way to look forward to warmer days outside than ordering plants and planning your garden. We have partnered with Kiwi Nurseries in Acheson to bring you flower baskets, indoor/outdoor plants, fairy gardens and more. Our last fundraiser of the school year will hopefully involve Krispy Kreme Donuts.

Craft Kits for Spring, Easter or Mother's Day!

In these weird times of Covid 19, Spring Break may look a little different this year. With many people staying home, why not get in touch with your crafty side and create your own painted wooden sign with one of our stencilling craft kits. Designed and created by our Society board members, each kit comes with an adhesive vinyl stencil, pre-stained wood, several small pots of paint and some applicator sponges, plus our written instructions. Choose from a variety of designs, sizes, levels of difficulty and prices. Deadline for orders is *Friday 19th March*, to allow us time to prepare and package the kits. Watch the school Facebook page and website for details.

KIWI NURSERIES

Kiwi Nurseries Ltd. is a family owned and operated business in Acheson, providing customers with quality, prairie hardy plant material and superior customer service. Their spring fundraiser features veggies, herbs, hardy outdoor plant material, décor, houseplants, and gift cards for purchase. There are no minimum purchase requirements. The organization then receives a portion of the sales .

An online store is set up under the organizations name, where its' customers browse and shop from.

An online brochure will be available from late March. The online store opens early April and runs to the beginning of May, with all items being available for customer pickup by the May long weekend, weather dependent. We hope some of our volunteers will also be able to bring orders to the school where customers can pick up their purchases on a predetermined date.

Future Fundraisers:

To celebrate Spring and the approaching Summer, we are hoping our last fundraiser of the school year will involve Krispy Kreme Donuts. Further details will be announced on the Warburg School Council Facebook page and Warburg School page once finalised.

If anyone has any suggestions for future fundraisers, is interested in volunteering or has any questions, please contact one of the current Warburg Parent School Society members or email the Society at: warburgparentsociety@gmail.com
