Warburg School Council is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

Warburg Parent School Society is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go in part towards the purchase of some much-needed outdoor playground equipment.

Casino: We Need You!

One of our most financially successful events in the past was working the Camrose Casino where we raised a large amount of money for our school. We are looking for volunteers who can help us do the same again on April 3rd and 4th in Camrose, to benefit Warburg school students. Please contact a member of the Executive below or email warburgparentsociety@gmail.com if you would like to join the fun.
