4. Principal Report:
 - Christmas Concert: Everyone seemed to enjoy it and the children did a great job. It was a full house!
 - School Calendar: Link and survey was sent via email. Due February 9th.
 - Alberta Education Survey: It's a 3-year plan on events, students, teachers. We need meaningful numbers of participation. Some ideas for more parental engagement: Advertise in newsletter, set up a computer station at the school, link on website.
 - Report cards are out next week. Watch for them. Contact teachers with any questions.
 - New Students: 1 in grade one. 1 in kindergarten. Total of 275 students.
 - Cold days are still considered school days, it's just a day of buses not running, the school is still open. Classes are still being held so contact the teacher for directions and log into google classroom.
 - Issues at recess with the piled-up snow, slush, and ice near the playground. Contractors are coming to remove the dangerous piles.
 - BGSD Council of school virtual event on February 6th, please let Wendy know ASAP if you would like to attend. Thank you.
 - Casting with Al Schoepp was very well received. The students enjoyed it.
5. Village Councilor: Nothing to report
6. New Business:
 - Museum parking and drop off is getting out of hand. There is a limited amount of space and solutions. If you are walking your child in, please do not park in front. It is for drop off on

7. Old Business:

- ASCE Grant: brainstorm on how to spend
- Milk Days are going well
- Hotdog orders are low, maybe change things up going forward
- Volunteers are minimal and we would like to see more parent engagement, we are looking into calling out for volunteers every week, having set days/ jobs, advertisement in the paper and on Facebook. Check into a free shared calendar where people can plunk in names and dates that work for them.
- It's been brought to the council's attention that people aren't reading school emails, text message might get more across. Also, text links aren't working, we will need a solution for that.

Next Meeting: February 27th at 6:30PM
