Warburg School Council is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and school board in matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

Warburg Parent School Society is the fundraising branch of Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. For example, the Society has purchased a large laminator, STEAM (Science Technology Engineering Arts Math) items, an electric pottery kiln, 60 pairs of snowshoes, chromebooks and the flashing light crosswalk. WPSS fundraising was instrumental in buying a large number of items to begin the coding and robotics programme at the school and substantial funds were raised to purchase and install the new Apollo playground structure. The current major goal of the Society is raising the necessary funds for the **Demi** project - the creation of an outdoor classroom at Warburg School, a space where all students can learn about growing food, Nature, their environment and the benefits of being outside in the fresh air.

Coming soon: Growing Smiles Spring flowers & plants

In mid April, we will be advertising our Spring flower sale, with delivery requested to be the week before Mother's Day. Watch our Facebook page for confirmed dates, prices and information on the Spring plants we will be selling this year.

Instacake cards for Mother's Day!

Send a little cake and greetings card in the post or deliver it by hand. As featured on TV's Dragons Den, **Instacakes** deliver sweet wishes plus everything needed to make a delicious celebration cake in minutes. Give for birthdays, Mothers Day or just because. After Spring Easter break, we will be offering these special greetings card cakes until 15th April, with school delivery around 9th May. Stock up for special days ahead, as their shelf life is 12 months.

Find more information at www.instacakecards.com.

Don't forget to save your **Boston Pizza** receipts so the school can receive a 5% rebate. Please hand in your receipts at the school office!

Fun fact: Our Demi project is named after Demeter, the Ancient Greek goddess of the harvest and agriculture, the Giver of Food and Grain, continuing our theme after naming Project Apollo.
